MEMORANDUM FOR: Deputy Director for Support

SUBJECT: Catastrophic Health Insurance

REFERENCE: Memo dtd 11 Feb 71 to DGC fr DDS,
Same Subject (DD/S 71-0465)

STATINTL

1. Since receipt of referent memorandum, I have been working with [redacted] attempting to establish some parameters on the basis of which we could get cost data. In the meantime, certain additional benefits have been developed as proposals for consideration by the GEHA board at their meeting on 19 April 1971. Those proposals have been costed by Mutual of Omaha.

2. Since additional benefits under the normal GEHA policy would affect costing of our catastrophe proposals, we necessarily will have to await GEHA's decision. We are going forward in the meantime with preparation of specific proposals to Mutual of Omaha for costing.

3. This is intended as an interim report to let you know that this matter is being actively pursued.
